The Impeccable Style of Michele Bönan

Step inside The Ritz-Carlton Residences, Sunny Isles Beach and you are surrounded by a flawlessly executed mix of grandeur and intimacy. Created by the illustrious Michele Bönan, the interior story here is one of openness and togetherness, of subtle tones and bold textures, and of rich materials and delicate details.

Known for his work with some of the world's finest hotel brands, yachts, and names like Ferragamo, Bönan's design sensibilities are influenced by timeless European aesthetics. Comfort, the natural atmosphere, and an Italian sense of style are trademarks of The Ritz-Carlton Residences, Sunny Isles Beach experience. Through the 60 foot-high lobby windows you can see palms gently waving in the breeze. Soft curves define the edges of seating areas and bar spaces, reminding you of sand dunes on the Atlantic.

As you wind your way towards the outdoors, marble turns to ipe decking and sunlight dances off sapphire ripples in the pool. You hear the waves close by and walk directly into the sand, where cabana beds and airy fabrics invite you to let go of all your cares.

Life here is meant to eclipse your imagination and transport you to a realm of sheer greatness.
