**DOUGLAS ELLIMAN JUMPS TO NUMBER THREE IN
THE ANNUAL REAL TRENDS RANKING OF HIGHEST
PERFORMING RESIDENTIAL REAL ESTATE FIRMS
ACROSS UNITED STATES**

We are thrilled to announce that Douglas Elliman is now the third largest residential real estate brokerage by sales volume in the United States, according to a survey conducted by Real Trends, a leading real estate information and analytics company.

We are enormously grateful to all of you, especially our formidable agents and dedicated staff, for helping Elliman achieve this rank in the ultra-competitive real estate market. It is especially exciting as we are the only brokerage in the top three that is independently operated and not a franchise. This important distinction allows Elliman to thrive as a culture dedicated to fostering close personal connections and a true entrepreneurial spirit across all our regions.

Here's to reaching even greater heights in 2018.

Sincerely,

Howard M. Lorber

OUR HERITAGE

With his visionary approach, Douglas L. Elliman transformed real estate into a true profession.

1911

In 1911, Douglas L. Elliman and his brother, Roland, opened Douglas L. Elliman & Company at 421 Madison Avenue. The company was founded on Elliman's vision that New Yorkers would shift their preference for traditional homes to favor luxury apartments that were both sold and managed by comprehensive real estate companies instead.

1914

Notable Transaction
Lease of the F.W. Vanderbilt House at 40th Street and Fifth Avenue.

2003

Under its new leadership, the firm maintained and built upon the powerful Elliman legacy to expand into new markets, including Manhattan, Brooklyn, Queens, Long Island (including the Hamptons and North Fork), Westchester and Putnam Counties, South Florida, and abroad. In addition, Douglas Elliman now offers a comprehensive suite of services to meet their customers' every need.

1912

Elliman pioneered the residential preference of affluent Manhattanites from their private townhomes to luxury apartments with his 1912 rental to celebrity senator, Elihu Root. By placing a high-profile individual at 998 Fifth Avenue, one of New York City's first luxury apartment buildings, he paved the way for other wealthy New Yorkers to quickly follow suit.

1922

Notable Transaction
Lease of the Hotel Roosevelt, a New York City landmark.

TODAY

Douglas Elliman strategically expands our West Coast presence to include 22 offices throughout California. In addition, we've added Boulder to our existing Colorado presence.

HOW WE SELL YOUR PROPERTY

Douglas Elliman brings an unparalleled array of resources to work directly with you. We develop the marketing plan that will sell your property the way you want to sell it.

- PRE-LAUNCH** **1** Full marketing plan and budget is prepared. Creative development for brochures, professional photography, direct mail, property website, email campaign, etc., begins. If necessary, property is staged.
- TARGETED OUTREACH** **2** Word is spread through our sphere of influence (clients, broker network, influencers, etc.). Initial contacts with the press (if applicable) are made.
- BUZZ CREATION** **3** Website rolls out. Email campaign is launched. PR and social media sources are activated (if applicable).

WHY THIS STRATEGY WORKS

- Properties priced at market levels indicate proper appraising, assisting in the buyer's ability to secure a loan.
- More buyers are attracted, and more serious offers are received.
- Marketing time is shortened, with immediate activity from the moment the property becomes available.
- Increased activity on the property can often cause it to sell at or above asking price.
